**Re: Cancellations of Bonds and/or Judgments of Bond Forfeiture;
Letters of Distinction**

Dear Requestor for Services:

Before any research and/or preparation of documentation is initiated by our office, the requestor must complete the attached request form and return it to our office for each service requested, together with the fee due for each service:

1. One completed form request and \$50 research/preparation fee for each bond cancellation being requested;
2. One completed form request and \$50 research/preparation fee for each judgment of bond forfeiture cancellation being requested; and
3. One completed form and \$50 research/preparation fee for each requested letter of distinction related to a particular mortgage book and page number.

If several services are requested for the same individual the fees can be combined and tendered in one money order, cashier's check, or attorney escrow check. Our office will not provide verbal opinions regarding whether a bond or judgment is viable or prescribed.

If a payoff of a Judgment of Bond Forfeiture is necessary, please let us know the approximate date the payoff will be delivered to our office so that judicial interest can be calculated accordingly. The funds for any payoff must be remitted prior to our office executing cancellation documentation in the manner set forth at the top of the form. We can provide you with a non-recordable document to verify that the cancellation will be executed upon payment so as to allow you to proceed with the closing and funding of the loan.

We request that you please allow two weeks for research and document preparation. I understand that sometimes the request is time sensitive and we will try to respond as soon as we possibly can. If you have any questions, please call me or Sheri Thiels and we will be happy to assist you.

Sincerely,

THOMAS O. WELLS
Assistant District Attorney
